Dear Parents and Carers,

Welcome back to school! What a brilliant start to the new academic year we have had at St. Andrew's. The children came back very excited and looked so smart. Thank you for your support in maintaining standards with the school uniform. It is very much appreciated.

All of the children were welcomed into brightly coloured and well prepared classrooms. In my new role as Headteacher, it was wonderful to visit the children in their classes and see them engaged in their learning and having fun.

I should like to extend a very warm welcome to our new families and children. The Foundation Stage children have been very calm and have adapted well to their new learning environment.

This term the whole school is working on their 'Explore the World' topic. Each year group has a focus on one particular destination.

EYFS – Asia – India
Year 1 – Africa
Year 2 – South America
Year 3 – North America
Year 4 – Australia
Year 5 – Europe
Year 6 – Antarctica

I am looking forward to seeing the outcomes of these topics. At the end of the term we shall be inviting parents into school to celebrate the children's work and see what they have been learning. I hope you will be able to join us.

Dates for the term will be published this week.

With best wishes,

A Mashru
