Monday 7th<sup>th</sup> October 2019

Our value this term is **Courage**

Dear Parents and Carers,

Our foundation stage children have settled in very well and have quickly adapted to school life. It is great to see them both inside and outside the classroom. They are very much part of 'big school' now.

I received a lovely email from Margaret Poole who leads the REinspired team. *'On behalf of all of the REinspired Team that came into school on Monday to do 'Creation' with year 1, I would like to say thank you. The children were a delight to work with and so well behaved and responsive, and the teachers were very helpful and engaged with everything that we were doing. Always such a joy to come in to St Andrew's School.'*

Year three visited a Hindu temple in Neasden. The children enjoyed learning about the building and watched an act of worship. The impressive carvings were of great interest and the children were excited to find statues of Rama and Sita.

Helmets on!  
Harnesses secured!  
Ropes attached!

Here we are at Youlbury Camp scaling the dizzy heights of Jacob's Ladder. Everyone in Year 5 stepped out of their comfort zone and became real 'Captains of Courage' during the three days of exhilarating outdoor activities. We learned so much about ourselves and achieved things we thought we would never do. And, most of all, we had GREAT FUN!

Parental involvement in school is a key factor to the successful outcomes for the children. Likewise, if you have connections with companies who can offer discounts, resources or anything to support our school, please let us know. If you can help in anyway, please contact the school office.
