

St. Andrew's C.E. Primary School Newsletter

Monday 2nd October 2017

Dear Parents and Carers,

So much has happened in school since my last newsletter. The children in year 5 have returned after a brilliant trip to Youlbury. I am sure you have heard all about their achievements and team work when completing the many activities which included Jacob's ladder, crate stacking, pizza making and environmental art. There will be an opportunity for the children to share their experiences and photographs on Friday 20th October 1.30pm.

'My favourite part was the 3G swing.' - Jake

'I really liked building dens. I would recommend everyone to go to Youlbury.' - Ella

I should like to thank Mr Gibson, Mrs Ludlow, Mr Smith, Mrs Ray, Ms Broughton and Miss Revill for making the trip happen and giving the children such a fantastic time.

Last week the open days brought new visitors to the school. We received lots of positive feedback regarding how well the children worked and how much they appreciated the excellent guides from year 6.

Star Pupils

Talking of visitors, I had some lovely people visit me in my office this week. They were nominated as star pupils! We had cake, biscuits and lemonade to celebrate their achievements. Children were chosen by their teachers because they had demonstrated our Christian values in different ways. Amongst the reasons for nominations were kindness, listening, leadership and enthusiasm for learning. It was great to hear what they had been doing this week. I am looking forward to next week's stars.

Thank you

I was overwhelmed by the response we had to the cycle awareness training support letter I sent out. It means we shall be able to run the course this year. More importantly, our children will be safe on the roads. Those of you who offered help will receive a letter with training details this week. Thank you for your support it is very much appreciated. An excellent example of this term's value 'Generosity'.

This term's value is Generosity
