

Literacy

Narrative: Stories by Oliver Jeffers

Poetry: Descriptive poetry about space

Non-Fiction: A non-chronological report about space travel

RE

We will be learning to understand how celebrating Passover and keeping Kashrut help Jews show God they value their special relationship with him.

Music

We will be exploring and responding to Gustav Holst's 'The planets'.

DT

We will be designing and making space buggies using a chassis, axles and wheels. We will also be making 3D alien bugs.

PE

Large ball skills

Dance

To explore movement and sequence and develop a dance that tells a story.

Topic

We will be learning about famous astronauts, including the discoveries they helped to make.

We will be learning about surviving in space and what it is like to live in space on a mission.

We will be learning about the different planets in our solar system.

Computing

In this unit, we will be following an algorithm and programming a spaceship to follow a set of precise steps and move across a screen.

Space

Year 2

Spring Term 1 – 2019

Mrs Perryman, Miss Weetch and Mrs Garlick

Science

Animals including humans

We will be looking at how different habitats provide for the basic needs of different kinds of animals and plants. We will be exploring the school grounds to hunt for microhabitats and focus particularly on bugs.

French

This term we will be learning the alphabet in French.

How you can help

Please continue to encourage your children to complete all set homework.

This year we also need children to become fluent in their 2s, 3s, 5s and 10s times tables.

Regular reading – either listening to or reading with your child each night will continue to build their fluency and enjoyment for reading.

Collective Worship

Whole school Collective Worship will be on a Wednesday and KS1 Collective Worship on a Monday. It will focus on our value.

Values

Our value this term is trust.

PSHCE

We will be learning about setting ourselves realistic goals and showing resilience.
