

## Literacy

### Spellings

Practising the words from the statutory list for years 3 and 4, Studying prefixes, suffixes, homophones and common letter strings

### SPAG

Each week we will be focusing on a different element of either spelling, punctuation or grammar.

Myths and Legends - Reading some famous myths and legends and adapting a story to create one of their own.

Poetry - Creating poems using imagery and composing poems for presentation to an audience.

## PSHCE

'Good to be me': To recognise their worth as individuals and that their actions affect themselves and others.

## DT

Biscuits - Making and evaluating a new biscuit for a particular occasion.

## P.E

Invasion games - Skills and tactics leading to playing small team games.

Dance - Creating and performing in a jive style.

## Maths

We will be working through the Year 4 curriculum.

Recognising decimal equivalents of tenths, hundredths,  $\frac{1}{4}$ ,  $\frac{1}{2}$  and  $\frac{3}{4}$ .  
Comparing and rounding decimals.  
Solve simple measure and money problems.

## Music

Singing – To learn and perform songs for the year 4/5 production.

## History/Geography

Vikings & Settlers - Discovering where they came from and why they invaded and settled.

To learn about Viking trade and their way of life.

The water cycle

## Oceania

Year 4  
Spring term 2 - 2018

Mrs Gerrish

## Collective Worship

Whole school Collective Worship will be on a Friday and KS2 Collective Worship on Mondays, they will focus on our value.

## Values

Our value this term is perseverance.

## RE

Christianity – Easter. Is forgiveness always possible?

## Computing ~ Computer Networks

E-safety - Developing the children's understanding of e-safety and exploring ways they can stay safe on the internet.

Internet - Researching the Vikings.

## Science

States of matter – Learning about the differences between solids, liquids and gases, classifying objects and identifying their properties.

Exploring how water changes state, exploring melting, freezing, condensing as well as a particular focus on evaporation. Learning about the stages of the water cycle

## Spanish

This term we will be learning how to say our birthdays and other dates.

## How you can help

Please continue to encourage your children to complete all set homework.

We also need children to practise their times tables.

Regular reading – either listening to or reading with your child each night will continue to build their fluency.
