

MATHS

Our focus is fractions.

We will be finding simple fractions of shapes and amounts, and using fractions/division to solve real life problems.

We will also consolidate the number calculation skills we have covered so far this year.

On Fridays we will have our times tables challenge.

SPANISH

Focusing on numbers 11 to 20

MUSIC

Violin/cello lessons (Chiltern Blue Y3) Charanga singing, instrument playing and composition (Africa Y3)

SCIENCE

We will be studying animals (including humans) and looking at skeleton structures, bones, muscles and nutrition (food groups). We will compare human and animal diets.

Collective Worship

Our value this term is 'compassion'. We will hear inspiring stories and Bible teachings and then reflect on the importance of this value in our lives.

Term 4 Y3 Africa /Chiltern Blue

OH, WHAT A WAR!

ICT

We will learn how to send and open emails, adding attachments and what to look for in suspicious email addresses.

ENGLISH

We will learn about the features of play scripts and how to write dialogue based on the Second World War themed story/ film 'Goodnight Mr Tom'.

We will be developing our comprehension and research skills using WW2 information texts.

We will also study authors and letters, looking at Michael Morpurgo and some of his novels. We will study how to set out letters correctly.

HISTORY

We will learn about the key events of World War II and the impact the war had on life at home, such as evacuation, air raids and rationing. We will participate in a visiting WW2 workshop.

ART

WW2 poster designs and collage/silhouettes of 'The Blitz'

RE

The significance of the Easter story,

What is 'good' about Good Friday?

PSHCE

The importance of healthy diet and hygiene. How our bodies function, and managing our emotions.

P.E.

Invasion games

Mastering a range of passes, attacking/defending, playing small team games such as 'tag' rugby.
