

Literacy

SPAG - We will be focusing upon a different element of spelling, punctuation and grammar each week.

Narrative: Traditional tales and fables.

To read and listen to a variety of stories.
To write a fable with a moral.

Story book: The Frog and the Scorpion

Year 2

Autumn Term 1- 2017

South America

Mrs Gray, Mrs Youens,
and Mrs Perryman

Geography

To compare our local area with an area in South America, thinking about the human and physical features of a place.

French

We are learning the names for farm animals and pets.

P.E. – Gymnastics

To move and travel safely and confidently in space, using changes of direction.

Music

Identifying, exploring and composing hip hop music.

PSHCE

We will learn about new beginnings.

Maths

Number: Place Value

To partition numbers into 10's and 1's.

To know the value of each of the digits in a 2 digit number.

Measurement:

To measure in standard and non-standard units.

Science - Ourselves

How do we change over time?

To Identify common features and compare similarities and differences and changes over time in baby and recent photographs.

Art/DT – Self Portrait

To use a range of mediums to explore self-portrait, including looking at famous artists.

Computing

To create an illustration for a book using a paint programme.

Value – Generosity

2 Corinthians 9:6

Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously.

Collective Worship

Whole School: Friday afternoon

KS1: Monday afternoon: Our collective worship in class will focus upon our value and the importance of giving freely without expecting anything in return.

R.E. – Christianity

Does God want Christians to look after the World?

To retell the Christian creation story.

How can I help?

Please read to your child and listen to them as often as possible. This will continue to build their fluency and develop an enjoyment for reading. Encourage them to practise the weekly spellings using Look, Cover, Say, Write and Check.

Practise counting in 2s, 5s and 10s to help them with their times table challenge. You could use coins to help you. This will help build fluency in their times tables.

Please talk through ideas for Big Write and support them with their weekly homework.

Thank you
